

**REMARKS**

This is in response to the Office Action dated July 28, 2005. *This amendment should be entered since it merely places allowable subject matter into independent form, so that the application is in condition for allowance given the Examiner's indication of allowable subject matter.* Allowable claim 9 has been added to claim 1. Thus, the application is now in condition for allowance.

It is noted that the finality of the Office Action dated July 28, 2005 was clearly in error. Previously allowed claims were rejected for the first time – the action clearly should not have been made final.

If any minor matter remains to be resolved, the Examiner is invited to telephone the undersigned with regard to the same.

Respectfully submitted,

**NIXON & VANDERHYTE P.C.**
